

McScM - Feature # 40: Source-code documentation (ocaml doc) in src/svar

Status:	New	Priority:	Normal
Author:	Grégoire Sutre	Category:	
Created:	04/04/2011	Assignee:	
Updated:	04/08/2011	Due date:	
Subject:	Source-code documentation (ocaml doc) in src/svar		
Description:	Document all module signatures in the @src/svar@ directory. In particular, transform the basic comments into ocaml doc ones in @src/svar/Model.mli@.
